Work Experience

Customer Service Representative

TestSmarter, Inc | Lake City, FL

May 2023 - May 2024

- Guided patients through sleep-diagnostic device setup by phone, answering questions clearly and helping ensure successful use.
- Made daily patient and clinic calls to obtain correct referrals, patient information, and other documentation needed to push orders forward.
- Managed patient, shipping, delivery, and return information in Excel with attention to accuracy and follow-up.
- Coordinated device shipment, delivery verification, and returns while physically packing devices for distribution.
- Balanced detailed administrative work with empathetic, patient-facing support.

Aviation Mechanic Technician

Jayviation | Lake City, FL

June 2025 - June 2026

- Used technical manuals and reference materials to identify correct parts, place orders, and complete inspection-related paperwork accurately
- Utilized organizational skills to ensure smooth transition of jobs from mechanic to mechanic
- Provided coordination between mechanics and office staff to ensure a smooth guest experience while their plane is in our care

Bartender & Trainer

Texas Roadhouse | Lake City, FL

January 2024 - June 2026

- Delivered fast, welcoming service in a high-volume environment, managing a 15-seat bar, additional tables, and service-well responsibilities.
- Maintained 100% secret-shop scores through attentive service, menu knowledge, accuracy, and professionalism.
- Built relationships with regular guests and created a reliable, positive customer experience.
- Trained team members across multiple areas and supported the team's Real Bar recertification.
- Managed opening, closing, cash-handling, and pre- and post-shift responsibilities with accuracy.

Lead Server

The Farmhouse Restaurant | Lake City, FL

December 2021 to June 2023

- Coordinated front-of-house schedules, table assignments, and server sections to support smooth service and fair workloads.
- Resolved changing guest and team needs in a fast-paced environment.
- Assisted with cash handling, deposits, opening procedures, and closing procedures.

Education & Development
